

TicorTechFarm

“Has your farm become stagnant and less lucrative?”

With TicorTechFarm our dashboard analytics allow you a quick 360 view of your farm giving you the ability to make insightful and effective business decisions.

What do I get with TicorTechFarm?

- Instant access to the detailed property data
- Automatic updates every 2 weeks for any changes on new ownership
- Turn ratios and statistics
- Manage multiple farms on one site
- Segmentation into several smart micro farms
- Export detailed farm reports
- System allows you to add notes and additional contact information
- Gain an edge by analyzing your farm
- Mobile friendly, easily readable from any mobile device

Ticor Tech Pro offers even more features with additional analytics, for more information reach out to your Ticor Business Partner.
