

INTRODUCING LiveLook

Innovative Technology designed to give you **24/7** access to all of your transaction information!

Interactive Preliminary Title Report

What do I get with **LiveLook Prelim?**

- Escrow processing just got easier
- Easy to read summary page including vesting, file number, form of policy and property type
- Exceptions are highlighted so the real estate professional knows what is sensitive on the file
- Quick link to Documents, Property Taxes, Supplements, Water Rights, Easements, CC&R's, Grant Deed, Deed of Trust and more
- Quick Share feature allows recipients to send the LiveLook to others
- Option to sign up for file updates
- Provides access to Request CPL, Request Proposed Insured, Order Update and Blank Forms
- Realtors can order Property Profiles and FARM from the system
